RULES AND ADMINISTRATION

Dear Friends,

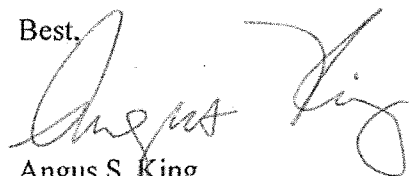

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)—that's because at our heart, we're one big community. It's not only a pleasure to serve you— it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

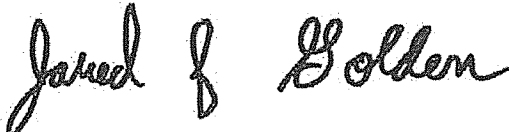

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

Dear Friends and Residents of Frankfurt,

Thank you for the opportunity to serve as your state senator. I'm incredibly honored to represent our communities in Augusta, and I promise to work as hard as I can on your behalf.

I'm excited to share that I was appointed as the chair of a new legislative committee: the Innovation, Development, Economic Advancement and Business Committee (also known as the IDEA Committee). Our committee is focused on economic development. The committee is bringing together legislators, educators and business people to work on improving technical education, attracting and retaining new workers, and expanding access to reliable high-speed internet. I'm humbled to lead this effort and hopeful that we will make real progress during this session.

In order to build a vibrant and resilient economy, we must prioritize our heritage industries while providing new industries with room to grow. I've submitted several bills this session to provide more training for jobs in existing industries — including health care, plumbing, and electricity — as well as bills to invest in training Mainers to work in emerging industries. I've also submitted bills to increase access to reliable high-speed internet and to lower transportation costs. By removing these barriers to success, we can ensure that rural communities have the tools they need to thrive in today's economy.

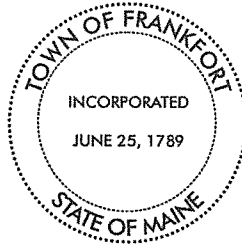

If you have any other concerns or ideas for legislation, I am always available. Please feel free to call or email me anytime. I can always be reached at (207) 287-1515 or [Erin.Herbig@legislature.maine.gov](mailto:Erin.Herbig@legislature.maine.gov). I also encourage you to sign up to receive my regular legislative updates. I look forward to working with you this year!

## SELECTMEN'S LETTER

To the Citizens of Frankfort:

First, we want to thank all departments, committee members, and volunteers for donating their time and efforts to the town. The Dam Committee was awarded the Spirit of America Award for their volunteer work for the Town of Frankfort.

We contracted with Saco Design of Winterport to create a website for the Town of Frankfort. We would like to thank all who submitted photos for the website. The hope is this website will provide easier access to town records and information.

We would like to thank all the volunteers who donated their time and resources to install the playground at the town ball fields. It took a community effort to make this happen; it has been and will be appreciated by many.

The Town of Frankfort would like to acknowledge Betty Williams for her 25+ years of volunteer work with the Neighbors Cupboard in Winterport. She was awarded the Spirit of America Award by the Winterport Women's Club in the fall of 2018.

The Town of Frankfort is pleased to announce that Jacob Gran has taken on the position of Public Health Officer. Please contact the Town Office of Frankfort or see our website for contact information if you are in need of his services.

The Town of Frankfort is planning its 230<sup>th</sup> birthday/anniversary celebration for the week of July 4<sup>th</sup>, 2019. Any interested people can contact the town office.

The town is required to have a Board of Appeals consisting of 5 or 7 members. Please see Article 33 in this year's town report. The Board of Appeals will only meet as needed.

Selectmen meetings are open to the public and all are welcome to attend.

Respectively submitted,

**ROY STONE**

Fire Chief

The West Frankfort Fire Department thanks all who have supported us over the years. We are dedicated to serving Frankfort residence and mutual aid towns when needed.

Fighting structure fires today is a lot different than it was 30 years ago. The training requirement are a lot more strict today. Building materials and furniture give off more dangerous chemicals while burning, also when you go into a burning building you do not know what type of drugs and/or weapons you will encounter.

Firefighters risk their lives to save other and their property. Some Fire Fighters do this with no compensation. Some even leave their paying jobs to respond. It is getting harder to recruit people who are willing to devote their time to be on Fire departments and the training required and then retain them once we get them, especially with no compensation. I have talked to other Fire Chiefs who have the same problem.

In 2018 West Frankfort responded to various calls such as structure fires, chimney fires, smoke and carbon monoxide alarms, grass & woods fires, car accidents and numerous lift assists for Winterport Ambulance.

The extrication equipment (Jaws of Life) we received has already been used to gain access to a motor vehicle to remove an accident victim.

The West Frankfort Fire department is able to fill our SCBA bottles and also fill Waldo County Haz Mat bottles. We will also fill for other Fire departments. We have six(6) members on the Haz Mat team and two of them are Haz Mat technician level. We also have individuals trained to teach Haz Mat operations.

We have smoke alarms available if anyone in Frankfort should need one to replace an older one or does not have any. The Fire department will install a smoke alarm in an appropriate place and document the date and if it should fail within 10 years it will be replaced. These alarms are free and has a sealed 10 year battery. You can contact the West Frankfort Fire Chief at 322-3044.

The West Frankfort Fire department is open to individuals and organizations in our town for various activities. Our department still sponsors the Boy Scout who hold their meetings at our station.

We are always looking for more Jr. Fire Fighters as well as adult Fire Fighters. We are looking for people who would like to help in any way. You do not have to go into a burning building or carry a hose, any type of help is welcome.

Respectfully submitted

Roy Stone

2018 was another busy year. Our department responded to 55 emergency calls. 10 of those calls were mutual aid calls. If you have an emergency please remember to dial 911.

I want to personally thank everyone that volunteered their time to help us do work on and around our station or made donations without putting any burden on taxpayers. There are a lot of man hours that goes into training, fighting fires, accident scenes, and maintenance on the building, equipment and trucks as well as fundraising which is greatly appreciated.

We are looking to upgrade our heating system in the fire station. The current furnace was installed in the 1980's and we have had issues with it recently. Some of this money will have to come from our budget and through fundraising.

We were donated a set of (Jaws of Life) Hydraulic rescue tools. We have trained on them and they are ready for service if needed.

On September 22, 2018, our department participated in the Maine State Federation of Firefighters Convention Parade in Portland. To remember 9/11 we placed our World Trade Center Twin Towers float into the parade and brought home a second place finish.

We also have continued to use the Waldo County Firefighters Association's training building in Waldo for training along with in house training.

We would like to thank all our fire department members, surrounding fire departments, Maine Forest Service and the citizens and businesses of Frankfort and other surrounding towns for their continued support. We would like to thank everyone who supports our fundraisers, especially our annual plant sale that is held in May. A special thanks to Barbara Perkins and Christine Gray for the generous donation so we could purchase new flags. If anyone would like to donate money or flags to replace faded and torn American flags please let us know. We will be hanging them just before Memorial Day. We received a donation of used pole mount wreaths with bows from the Winterport Woman's Club GFWC. We were able to make some brackets and hang them in the village area of town. We are hoping to be able to light them later this year.

We are still in dire need of new members who would like to join our fire department. Please let one of our department members know if you have any interest in becoming a member or stop by when we are at the station. There are many different jobs people can do to help at an emergency scene or around our station.

Burning permits are available at Wilson's Country Market from Jeffery Anderson at 745-0213 or Joe Watson at 223-5266. Special thanks to Anderson's General Store and Wilson's Country Market for doing burning permits. Remember burning permits are required by law to do any open burning. We also would like to remind everyone to post their address number on their house or business and near their driveway so emergency responders are able to find your home or business in the event of an emergency. It's also the law.

## Frankfort Road Commissioner

To the Citizens of Frankfort:

This past year the Town voted to take out two loans, one for a new/used plow truck and the other for culvert replacement work on the Treat Point Road.

Out of the \$75,000.00 that was borrowed to buy a new/used plow truck, \$62,000.00 was used to purchase a 2008 International 7600 and \$1,146.00 was used for truck repairs. The unused balance of \$11,854.00 was paid back on the principal of the loan.

Treat Point Road loan amount was for \$100,000.00 and the road repairs for the road came in at \$97,777.00. The unused balance of \$2,223.00 was paid back on the principal on the loan.

The reason why there was no hot topping done this past year is because the goal was to combine money from last year and this year to be able to get more roads hot topped.

It seems like it has been a long winter with many little storms that use a lot of sand and salt. More sand and salt has been used this past year than the prior year. But the groundhog tells us spring is coming!!!!

Hello Neighbors,

This has been a challenging year at the Neighbor's Cupboard food pantry! Each Wednesday the volunteers remarked on the great amounts of food we stocked up then sent home with our clients--there seemed to be more people in need. It also seemed we spent more money to keep the shelves filled. At our annual meeting last week we looked at the statistics collected over the year and the figures confirmed our suspicions.

We served 153 families from Winterport and Frankfort (20 more families than last year). These families contained 482 individuals (80 more than last year). The federal food that we receive from the government and distribute to clients--you may remember it as Surplus Food--decreased by 5,000 pounds. Dollar wise we spent \$5,000 more on food this year than last. **This was the first year in our history of 30 years that we spent more than we took in as donations.** Savings from past years saw us through.

We at the Neighbor's Cupboard rely on your support to help us fill the increasing needs of your neighbors. Your generosity has helped feed 153 families in 1,558 visits, with over 4,100 bags of food this year. Financial donations of any size are really appreciated! Please make your checks payable to the Neighbor's Cupboard. We are a 501c3 non-profit organization.

We are open at the Victoria Grant Center at the end of Park Drive in Winterport 9 am to 10 am Wednesdays or until the last one in line is served. We thank you townsfolk, farmers, and businesses for your donations of food and money that keep the shelves full and the doors open.

Citizens of Waldo County,

The Members of the Waldo County Sheriff's Office are proud to serve the citizens of our great County. We want to thank the members of the public for their continued support. We are a full service Sheriff's Office providing Law Enforcement, Corrections and Civil Paperwork Service to folks who live, work and visit Waldo County.

Some highlights of 2018 included our new Waldo County Recovery Committee, receiving a grant for medication assisted treatment at the Maine Coastal Regional Reentry Center and the County Garden produced more than 131,000 pounds of vegetables that were distributed to folks in need throughout Waldo County.

Our patrol division handled 8,970 calls for service in 2018. These calls included all types of incidents from murders, domestic violence, robberies, burglaries, thefts, child abuse, sexual abuse, drug overdoses, and much more. The drug abuse epidemic continues to ravage our citizens and cause much of the crime in our county. The patrol division also conducted 2,412 traffic stops throughout the county in an effort to increase traffic safety on our roads and highways.

Our Corrections Division continues to excel in the operation of the Maine Coastal Regional Re-entry Center serving 75 residents in 2018. These are men who were nearing the end of their term of incarceration. Our many programs assist them with their integration back into society as productive and contributing citizens. During their stay at the re-entry center, residents provided 7,186 hours of community service throughout Waldo County. This translated to \$79,046 dollars in free labor to citizens and non-profit agencies. Residents also provided more than 131,000 pounds of fresh vegetables to local food pantries

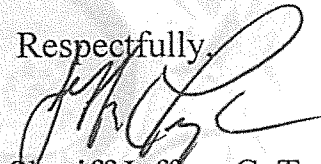

and those in need from the County's Garden Project overseen by Waldo County Commissioner William Shorey. The residents also paid \$12,235 dollars in room and board to the County.

The 72 hour holding and booking facility processed 1,269 persons who were arrested in Waldo County by all the law enforcement agencies serving our County. If a person who has been arrested cannot make bail within 72 hours, he or she has to be transported to the Two Bridges Regional Jail in Wiscasset by our Transport Division. Our average daily population of Waldo County prisoners held at Two Bridges was 33 men and women. This along with bringing prisoners to court and medical appointments, generated 393 transports with our transport division traveling more than 61,728 miles in 2018.

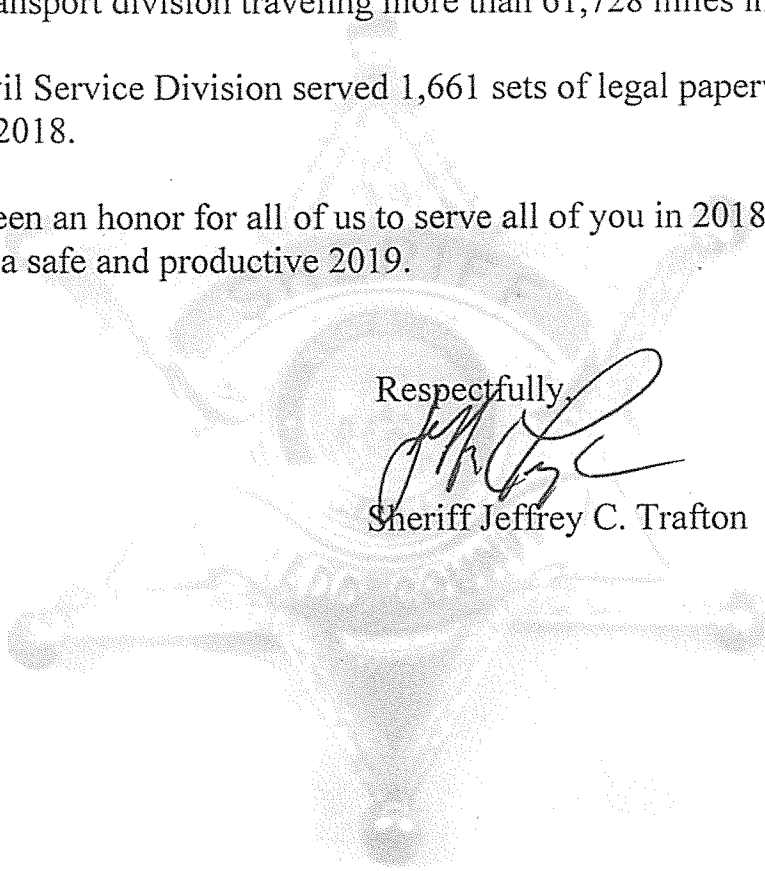

Our Civil Service Division served 1,661 sets of legal paperwork all over the County in 2018.

It has been an honor for all of us to serve all of you in 2018. We look forward to a safe and productive 2019.

Respectfully,

Sheriff Jeffrey C. Trafton
